Dear IPMBA Conference Attendee:

Welcome to Baton Rouge and the 17<sup>th</sup> Annual Conference of the International Police Mountain Bike Association. This is the first time in the history of IPMBA that the conference has been hosted by an EMS agency, and we are truly honored. Although rooted in law enforcement, IPMBA is not a police organization; it is an association of public safety cyclists.

On behalf of the IPMBA board, staff, members, and conference attendees, I would like to extend my sincere thanks to East Baton Rouge EMS for hosting the conference, and to their partnering agencies. We truly appreciate the support of Mayor Kip Holden and the Metro Council, EMS Administrator Pam Porter, EMS Chief of Operations Tommy Loyacano, Chief Jeff Leduff of the Baton Rouge Police Department, and Charles Mondrick, Uniform Patrol Commander, Baton Rouge Police Department.

IPMBA would also like to recognize the staff of East Baton Rouge EMS and all those who have participated in the planning and implementation of this conference, especially Tom Harris. Tom first approached IPMBA about hosting a conference in 2001. After a two year military deployment, he returned and redoubled his effort to bring the conference to Baton Rouge. Since that time, he has worked tirelessly to ensure that conference attendees would experience nothing less than the ultimate in southern hospitality.

Of course, he has not done this alone. He has gathered a team of individuals who are equally dedicated to meeting this goal. This team includes East Baton Rouge EMS staff members Chad Guillot, Mark Olsen, Mary Prochaska, and Joyce Walden Wales; Baton Rouge Police Department personnel Kenny Brown, Kyle Callihan, Don Coppola, and Mark Weber; and Patrick Washington of the DPS Capital Detail.

In a break with another long-standing tradition, the members of the Baton Rouge Command Staff will be donning purple polo shirts highlighted in gold, the colors of Louisiana State University, which is located in Baton Rouge. Please be sure to let them know how much you appreciate all their time and energy.

As always, thank you for coming. Without you, all of our efforts would be for naught.

Laissez les Bon Temps Rouler\* at the 17<sup>th</sup> Annual IPMBA Conference!

## 18<sup>th</sup> Annual IPMBA Conference Call for Instructors

The 18<sup>th</sup> Annual IPMBA Conference will be held April 19-26, 2008, in Indianapolis, Indiana. The IPMBA Instructor, Survival Tactics & Riding Skills, Public Safety Cyclist II, and Maintenance Officer Courses will be held April 19-23; the IPMBA Police & EMS Cyclist Courses will be held April 20-23; the IPMBA Security Cyclist Course will be held April 21-23; and Bicycle Rapid Response Team Courses will be held April 22-23.

**If you are an active, IPMBA-certified instructor and are interested in teaching at the conference or pre-conference, you must submit a letter of interest and resume outlining your bicycling, work, and teaching experience to the Education Committee for consideration.** *Please include non-bicycling-related expertise and/or instructor certifications.*

List all past IPMBA conferences for which you have instructed and/or attended, including a list of workshops for which you have been lead or co-instructor. Also include the number of PC/EMSC/SC classes you have conducted and/or the number of PC/EMSC/SC students you have instructed.

Instructors will be selected for the pre-conference training courses as well as the core conference workshops. Be sure to indicate which course you would like to teach and/or the workshops you would like to present. (Refer to this program for a list of typical workshops.)

Specify whether you are available for the pre-conference, conference, or both. Please email to [maureen@ipmba.org](mailto:maureen@ipmba.org) and [education@ipmba.org](mailto:education@ipmba.org), fax to 410-744-5504, or mail to 583 Frederick Road, Suite 5B, Baltimore MD 21228. **Deadline: August 31, 2007.**

*If you wish to teach at the conference or pre-conference you **must** submit a letter of interest and resume, even if you have done so in the past. No exceptions!*

## 2008 Conference Workshop Call for Proposals

IPMBA is actively seeking workshops for the 18<sup>th</sup> Annual IPMBA Conference in Indianapolis! This is your chance to share your latest brilliant ideas or your tried-and-true techniques. Your proposal can be for a classroom or an on-bike session. Workshops can be 1.25 hours, 2.75 hours, or 4.25 hours in length.

*It's easy – just follow these steps!*

**STEP ONE:** *Contact IPMBA HQ at [Maureen@ipmba.org](mailto:Maureen@ipmba.org) or 410-744-2400.* Ask for a set of workshop proposal specifications.

**STEP TWO:** *Select a Topic.* Stop hoarding your in-service training ideas.

**STEP THREE:** *Write your Proposal.* Follow the guidelines carefully.

**STEP FOUR:** *Submit your proposal to IPMBA HQ by July 31, 2007. If you would also like to be considered for the pre-conference and/or as a full conference instructor, be sure to include a cover letter and resume as indicated in the above "Call for Instructors." Submitting a workshop does not guarantee acceptance as a full conference instructor.*

**STEP FIVE:** You will be notified of the Education Committee's decision in early fall.

**Note about Repeat Workshops:** Even if your workshop has been offered at past conferences, you must still submit the workshop proposal form. Past inclusion does not guarantee future acceptance.

# Cycling Resources

The Baton Rouge area offers a wide array of cycling opportunities, including mountain bike trails, a BMX track, a Velodrome, and miles of open roads.

## Baton Rouge Bike Map

A Baton Rouge Bicycle Map can be found in your welcome bag.

## Mountain Bike Trails

Baton Rouge hosts some of the finest off-road riding in the state. People come from miles around to ride the Hooper Road and Comite River trails, which run along the banks of the Comite River and Cypress Bayou.

These trails offer more than 16 miles of well-maintained trails with something for everyone!

*Hardtail Hell* features thrilling drops and tight twisting singletrack while the aptly named *Goat Trail* challenges with hairpin turns and switchbacks. *G2* offers even more hairpins, *Skidmore* has bowls and tabletops, but only the bravest tackle *Newton's Drop*. Scenery ranges from the riverbank to the bayou, with plenty of beautiful cypress trees. Trailheads are well-equipped with restrooms, picnic pavilions, and, best of all – bike wash stations! Trails are marked well and color-coded maps are available online and at the trailheads.

Trails are built and maintained by Baton Rouge Area Mountain Bike Association (BRAMBA). BRAMBA was officially formed in 1992 to find a home for a permanent trail, organize trail building efforts, and support mountain biking in the Baton Rouge area. BRAMBA secured a 240-acre parcel of land at Hooper Road Park from BREC (Recreation and Park Commission for the Parish of East Baton Rouge) for mountain bike use and began constructing the trails. Comite Park was designated for mountain bike use in 1996, enabling the expansion of the trail system to nearly 20 miles. For more information and to download maps, visit [www.bramba.org](http://www.bramba.org).

### *Directions to Hooper Road*

Take I-110 to the Baton Rouge Airport Exit onto Harding Boulevard north toward Plank Road. Harding Boulevard will become Hooper Road at the first red light. Stay on Hooper Road until you get to the next red light; turn left onto Cedar Glen Drive in the Sharon Hills neighborhood. When Cedar Glen dead ends, turn right onto Guynel Drive. Continue on Guynel for two blocks and you will be at the entrance of Hooper Road Park. The trailhead is on the left as you enter the parking lot.

### *Directions to Comite River Park*

Take I-110 to the Baton Rouge Airport Exit onto Harding Boulevard north toward Plank Road. Harding Boulevard will become Hooper Road at the first red light. Stay on Hooper Road until you come to the park that is located on the south side of the road just west of the Comite River.

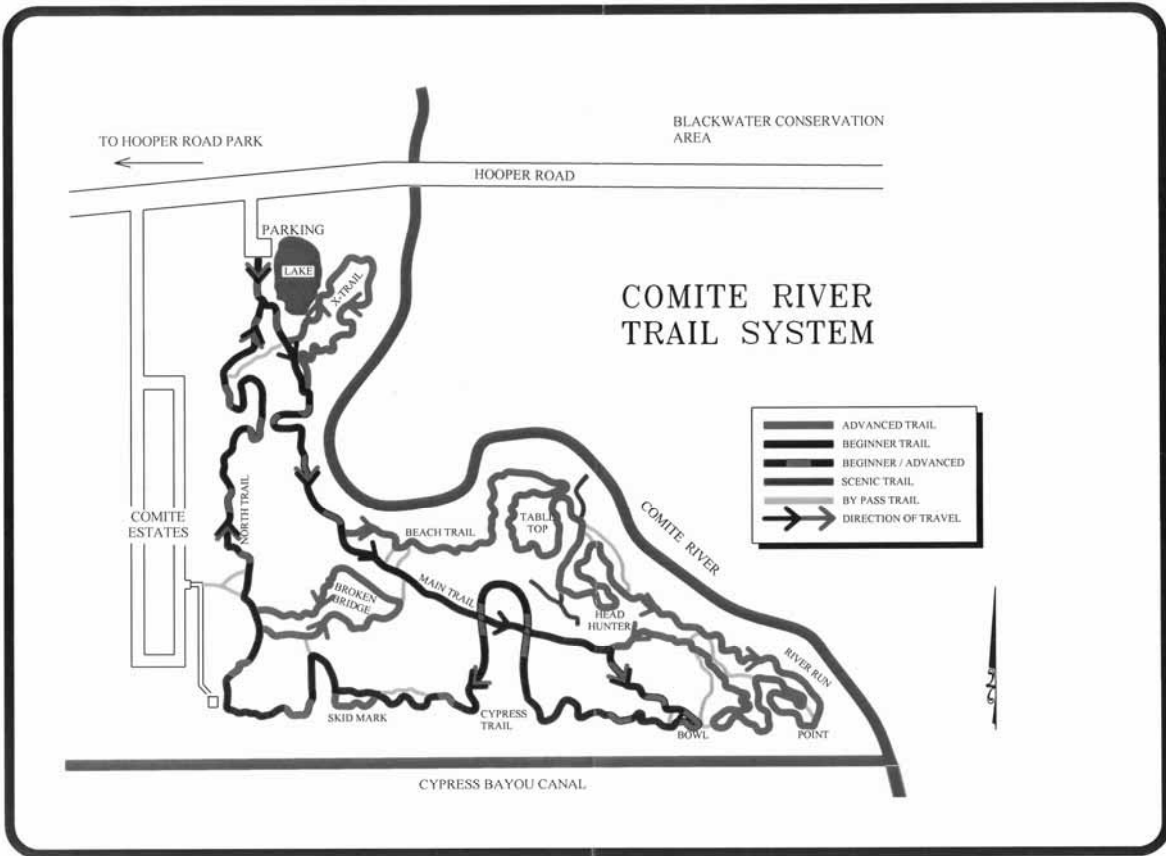

## Velodrome

The Velodrome is located at BREC's Perkins Road Park, 7122 Perkins Road. This 333-meter smooth concrete cycling track is one of only 15 in the United States. Top cyclists can reach speeds up to 35 mph during competition. However, you don't have to be a world-class cyclist to enjoy the fun and excitement of the Velodrome. The public is welcome to ride the track to get a good workout! The track is open for riding Monday 6:00-9:00pm; Tuesday 3:00-6:00pm; Wednesday 7:00-9:00pm; and Friday 10:00am-2:00pm. Rental bikes are available for \$5 per day.

## BMX Track

Located at BREC's Perkins Road Park, 7122 Perkins Road, this dirt track with its sharp turns and rolling jumps is designed for 20" bikes, mountain bikes and cyclocross bikes. Ages 4 and up can enjoy this fun facility. The track is open for riding Monday 5:00-6:30pm; Tuesday 5:00-9:00pm; Thursday 5:00-6:00pm; Friday 5:00-7:00pm; and Saturday 6:30-9:00pm.
