Dear IPMBA Conference Attendee:

Welcome to Albuquerque and the 19th Annual Conference of the International Police Mountain Bike Association.

On behalf of the IPMBA board, staff, members, and conference attendees, I would like to extend my sincere thanks to the Albuquerque Police Department (APD) for hosting the conference, and to their partnering agencies. We appreciate the support of Mayor Martin Chavez, Chief Raymond Schultz, and APD Executive Director Joe Bowdich. We are also grateful for the generous in-kind and financial contributions from many members of the Albuquerque community and businesses.

IPMBA would like to recognize the staff of APD and all those who have participated in the planning and implementation of this conference. At the heart of the committee are IPMBA Instructors Patrick Hernandez, Anthony Martinez, Ron Surran, and Jason Westbrook. They did their research seriously, attending the past few conferences for the purpose of shadowing the previous host agencies, and learned a great deal in the process. Despite the challenges posed by a weakened economy, they rose to the occasion to ensure that all details were in place to provide an excellent training experience.

The 2009 IPMBA Conference Host Committee was rounded out by Crime Prevention Specialists Laura Kuehn and Yvette Garcia, Officers Pat Smith and Connor Rice, Sgt. Rob Drager, University of New Mexico Officer Ray Olesky, and Albuquerque Public Schools Officer William Lucero. The committee members were assisted throughout the planning process by many other members of the APD staff as well as volunteers, and their contributions cannot be overlooked.

As a result of Bratwear's generosity, the members of the Command Staff will be clad in terra cotta shirts, so if you need any assistance, or just want to say "thank you", they will be easy to find.

Thank you for coming to the 19th Annual IPMBA Conference in Albuquerque. Like the balloons that dot the New Mexico sky, the knowledge you gain will help you to rise above the rest!

P.S. Come help celebrate the 20th Anniversary of the IPMBA Conference, May 1-8, 2010, in Chesterfield-St. Louis, Missouri.

Dear Friends:

On behalf of the men and women of the Albuquerque Police Department, I would like to welcome you to the 19th Annual International Police Mountain Bike Association Conference being held in our great city. Albuquerque is honored to host this event and I would personally like to thank each of you for your commitment to law enforcement in the area of police bike patrol.
