April 11, 2015

Greetings –

On behalf of the men and women of the Chandler Police Department, welcome to the beautiful desert southwest and the City of Chandler for the 25th Annual Conference of the International Police Mountain Bike Association.

Chandler has long been recognized as a Bicycle Friendly Community, with an extensive bike lane network that encompasses 50 percent of the arterial streets in the city, covering more than 120 miles. Our City also features a 6.5-mile multi-use trail for cyclists and pedestrians at Pasco Trail and a 3.5-mile paved path along the Western Canal Bike Path that links with adjacent communities in neighboring cities. And in 2014, our BMX Park was recognized as America’s Best by Bicycle Friendly America. Add in over 330 sunny days per year and an average year-round temperature of 85°, and don’t be surprised if, when you head home to locales around the world, you find yourself strongly considering a move to Arizona’s fourth largest city!

The Chandler Police Department Bike Team has eight officers to cover the 71.5 square miles of our city. They actively patrol neighborhoods and Downtown, providing more approachability for our residents. These dedicated officers provide specialized patrol for parade monitoring and crowd control at large events. They coordinate bicycle rodeos and facilitate one session at each of the Department’s two annual Citizens Academies, offering educational safety tips for drivers and cyclists. They have worked extremely hard and are proud to be your hosts for this event.

We look forward to seeing you at the various courses and activities planned for you over the next few days. Enjoy your stay in vibrant Downtown Chandler.

Sincerely,

Sean E. Duggan
Chief of Police
Dear IPMBA Conference Attendee:

Welcome to Chandler, Arizona, as we reach an important milestone: our 25th Annual Conference. IPMBA has come a long way since the First Annual National Conference of Bicycle-Mounted Police, held May 29-31, 1991, in Tucson, Arizona. A special welcome to the members of “IPMBAAA” (former board members), including some of our founding fathers.

On behalf of the IPMBA board, staff, members, and conference attendees, I would like to extend my sincere thanks to the Chandler Police Department for hosting the conference. We appreciate the support of Mayor Jay Tibshraeny and the City Council, Chief Sean Duggan, the Chandler Chamber of Commerce, and the Downtown Chandler Community Partnership, without which this conference would not have been possible. We would also like to recognize Scottsdale Police Department, Mesa Police Department, and Phoenix Police Department for their roles in contributing to the success of the event. We are grateful for the generous in-kind and financial contributions from Chandler’s business community. Last, but not least, we thank the members of the Chandler Police Explorer Post and the staff of Global Bikes.

IPMBA would like to recognize the members of the Command Staff, identifiable by their Bratwear shirts, who will be seen working hard to ensure you have an excellent experience. Special thanks to Chandler Police Sergeant Scott Picquet, whose commitment to IPMBA, bike operations, and Downtown Chandler inspired him to invite IPMBA to experience Chandler’s many fine qualities first-hand. He and key committee members Officers Blake Fairclough, Kyle Jordan, Paul Kultala, Scott Parr, Jason Sieczkowski, and Dave Sitz have invested many hours into the planning and implementation of this conference. Their efforts have been supported by others too numerous to mention, but whose contributions are nonetheless valued.

Finally, IPMBA thanks you for attending the 25th Annual IPMBA Conference. We recognize that many of you have overcome such obstacles as staffing shortages, training budget reductions, and travel restrictions to be here. We appreciate the priority you place on the quality training programs offered by IPMBA, and we are confident the experience will exceed your expectations.

Welcome to Chandler!

Maureen Becker
Executive Director

P.S. See you in Asheville, North Carolina, April 23-30, 2016, for the 26th Annual IPMBA Conference!
