

Please select the tools you need to purchase, complete page two, and submit to Patrol Bike Systems (see order form, page 2)

This toolkit is designed both for in-class use and to ensure you have a properly equipped department repair facility.

Items marked with an asterisk () may be shared by two members from the same agency.

Items marked with two asterisks () may be shared but will result in reduced practice.

***You will overhaul your bike in this class. To enrich your training experience, we recommend bringing these replacement parts, particularly if your bike is not in perfect working order. Replacement parts will not be readily available on-site and you may be forced to reinstall worn or damaged parts.

2021 IPMBA MOCC Order Form - Page 2

Order form and payment in full must be received at least 14 days prior to the course start date.
Shipping cost will vary by weight and destination, and must be paid prior to order fulfillment.
